## EXPERIENCE

---

### UNION STATION HOMELESS SERVICES

**Pasadena, CA**

Food Preparation and Server

*March 2020*

- Prepared food for onhand use, cut vegetables, washed equipment, set tables
- Served food to approximately 50 people ensuring needs were met and they received good service
- Quickly and fully cleaned all areas used within 15 minutes

### WATTS PROJECT ANIMAL RESCUE

**Pasadena, CA**

Lead Developer

*January – May 2022*

- Created a rough draft and communicated with the client to meet satisfaction
- Developed design materials and a high fidelity prototype using Figma
- Ensured work pace went smoothly using project management tool Trello
- Developed the final website using front-end framework Vue.js based on the prototype and usability testing findings
- Presented the [final project](#) to the client and answered any remaining questions
